

## UK/Jamaica-Year 2

### Key vocabulary

Atlas  
Jamaica  
Journey  
Island  
Sea  
Beaches  
Transport  
Weather  
Oceans  
Maps  
United Kingdom  
Continents  
Compass- N, S, E, W

### Mary Seacole's journey to the Crimean War-

### What we already know-

You will know that there are 4 seasons in the UK and the weather patterns and features that relate to these seasons. For example- leaves falling from trees in autumn.

You will be able to identify on a map what is land and what is sea.

You will have begun to use simple directions such as near and far, left and right.

### What you will know by the end of this unit-

**Sense of place:** You will understand comparisons between the UK and Jamaica as islands within the context of Mary Seacole.

**Physical geography:** You will know that there are 4 seasons in the UK and the weather patterns in Jamaica are very different to the UK.

**Human geography:** You will be able to compare features of our island and Jamaica. For example- city, town, village, factory, farm, house, office, port, harbour.

### What is an island?

An island is a body of land that is surrounded by water. Some islands are found in rivers, lakes, and ponds, but most islands are in oceans.

### Aerial view of Jamaica-

### Aerial view of the UK-

### Map of the world-
