Homework

Homework will be given out on Thursdays with the expectation that it is handed in the following Thursday.

TTRockstars or Maths Frame – Multiplication Check

Please can I request that you encourage your child to learn their times tables. This can be using the internet sites stated above or chanting them at home for fun. The adults have seen a huge improvement with their multiplication and would appreciate your continued support.

How you can help your child at home:

- Listen to them read and ask them questions about what they have read to check their comprehension
- Encourage them to complete their homework before the deadline or in small chunks so it is not such a big task
