

Sports Premium Report 2022-23

At Hollingbourne, our vision is for **ALL** pupils leaving us are **physically literate** and have the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

As a school, we use the following key indicators to measure improvements:

1. Develop or add to the PESSPA activities that your school already offer
2. Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
3. The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Sports premium funding entitles us to £16,000 plus an additional payment of £10 per pupil. As a school, we estimate that we will receive £16,810.

The funding enables us to make additional and sustainable improvements to the quality of PE and sport we offer. We can there use the premium to:

- Develop or add to the PE and sport activities that your school already offers
- Make improvements now that will benefit pupils joining the school in future years

Broadly, we will use our funding to:

- Hire qualified sports coaches to work with teachers
- Provide existing staff with training or resources to help them teach PE and sport more effectively
- Introduce new sports or activities and encourage more pupils to take up sport
- Support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- Run sport competitions
- increase pupils' participation in the [School Games](#)
- participate in sports activities with other schools

Key achievements to date 2022- 2023:	Areas for further improvement in 2023-24:
<ul style="list-style-type: none"> - Improved sports options (variety) at lunchtimes. - Resumption of swimming lessons (post Covid). - Successful sports day. - Engagement in competitions with other schools including football tournaments and tag rugby. - Wide range of clubs offered to children of all ages. - Successful residential trips for KS2 and KS1 developing outdoor and adventurous skills. 	<ul style="list-style-type: none"> - Playleader training for UKS2 (along with nominated adult). - Further develop engagement in sports competitions. -Continue to develop the range of sports clubs offered to further improve engagement. -Support the health and well-being of the children. -Further develop the repertoire of sports on offer to children in school.

Meeting national curriculum requirements for swimming and water safety	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	80%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	80%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	70%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
