

Pupil Acceptable Use Policy: Hollingbourne Primary School School Parental Acknowledgment

I, with my child, have read and discussed Hollingbourne Primary School Pupil Acceptable Use Policy.

I am aware that any internet and computer use using school equipment may be monitored for safety and security reason to safeguard both my child and the schools’ systems. This monitoring will be proportionate and will take place in accordance with data protection, privacy and human rights legislation.

I with my child, am aware of the importance of safe online behaviour and will not deliberately upload or add any images, video, sounds or text that could upset, threaten the safety of or offend any member of the school community.

I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that young people will be safe when they use the internet and systems. I also understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the internet and using mobile technologies.

I understand that the school will contact me if they have concerns about any possible breaches of the Acceptable Use Policy or have any concerns about my child’s safety.

I will inform the school or other relevant organisations if I have concerns over my child’s or other members of the school communities’ safety online.

I know that my child will receive online safety education to help them understand the importance of safe use of technology and the internet – both in and out of school.

I will support the schools online safety approaches and will encourage my child to adopt safe use of the internet and digital technologies at home.
