We are using Who Let The Gods Out? By Maz Evans Year 3 and 4 this year where children will follow the story of Elliot through a third person narrative that is funny and engaging. Elliot has a big secret to keep, his Mum is poorly and they are slowly running out of money. When a young Zodiac goddess, Virgo, lands in his back garden, Elliot thinks he might see a way to resolve some of his difficulties but, instead, the pair manage to accidentally release Thanatos - the immortal death-daemon - from centuries of imprisonment. With a wicked megalomaniac on the loose, Elliot and Virgo are out of their depth so must call on the help of Zeus and other long-retired gods to recapture the fugitive. But can they get to Thanatos before he gets to take over the world?
