#### **Exclusions (Fixed term) This Academic Year to Date:**

There have been no exclusions this academic year.

#### **EHCP (Education Health Care Plan) Pupils.**

There are currently three key stage 2 pupils with EHC plans. An additional KS1 statutory assessment request has been made.

#### **SEN Pupils Targets and Review.**

Pupils on the SEN register have targets tailored to their individual needs which are recorded on class Provision Maps. Some pupils have will EHC plans or Personalised Provision Plans instead as their needs are greater/more complex. All targets are reviewed 3 times a year.

#### **Satisfaction Survey of Parents at Annual review of EHCP**

There have been two annual reviews this year. Optional parental feedback surveys have been provided to parents to send to the local authority if they wish.

#### **High Needs Funding (HNF)**

We currently have six pupils who receive High Needs Funding.

This has enabled us to provide on-going 1:1 and small group support for these pupils. Four pupils in receipt of high needs funding are in key stage 2 and the others are in key stage 1.

## Pupil Progress Tracking

We continue to have pupil progress review meetings with class teachers, SLT and SENCo 3 times a year. In addition, as a team, we have been focusing on key children who are below expected level, not making expected progress or could make accelerated progress. We endeavour to agree a practical approach to support these children through additional support within the classroom being mindful of a key focus area or additional interventions, stated on the class provision map.
