

End of Year Newsletter 2025

Dear parents,

As we approach the end of term, it's time for us to reflect on the year that has been as well as welcome new faces to school.

This term, we have welcomed our new Year R children into school. They have all enjoyed their visits and seem very excited about starting school in September. We also welcomed Miss Harris who is going to teach Beech Class next year. She is very excited to be joining us and has spent time getting to know her new class.

Term 5 and 6 have been packed with trips, events, plays and residential! The children have loved every minute, and staff have too! As the headteacher, it is always such a pleasure to take the children out and we are frequently complimented on their behaviour in public places.

I would like to take this opportunity to publicly thank my amazing staff team for everything they have done this year. In school, we have been very challenged by staffing. While we have looked calm, behind the scenes staff have been working relentlessly so that the quality of provision for the children is not compromised. There are so many times when staff have gone the extra mile this year- well beyond the call of duty. I finish the school year feeling incredibly proud of the whole team at Hollingbourne. I think you will agree, everyone deserves a well- earned rest!

My final message is to our amazing Year 6- You are all amazing- you can leave Hollingbourne with your heads held high! Mission completed- you have achieved everything you can before your next big step! You have learned so much at your time in primary school, please remember to draw on your experiences here to help you in your new venture. Stay strong, stay happy and let your courage drive you forward. You've been an incredible class of 2025- thank you for everything, goodbye and good luck!

We wish you all a wonderful summer!
Mrs Bradley-Wyatt and the Hollingbourne team.
